MURAL DEDICATION /

Germantown

Let's dedicate a new mural by Jared Bader in Germantown, speaking to the neighborhood's past, present, and future. Exemplifying Mural Arts Philadelphia's community process, this project was spearheaded by a volunteer committee of Germantown leaders and stakeholders, coming together to steer democratic decision-making and build joint ownership of public space in this geographically diverse neighborhood.

Special thanks to the members of our volunteer selection committee in Germantown: Sharrieff Ali (Maplewood Neighbors), Carolyn Chavis (Germantown local), Emaleigh Doley (Germantown United CDC), Roya Taheri (local business owner), and Allison Weiss (SoLo/Germantown Civic Association and Wayne Avenue Merchants Association).
